TRAIN JOURNEY

Your Train Host will welcome you aboard our first class, fully enclosed heritage carriage. Our dining carriages are heated in winter to ensure

your journey is both comfortable and enjoyable. During the forward journey your entrée of homemade soup will be served before disembarking the train at the historic 'Nobelius Packing Shed' in Emerald. On the return journey, tea, coffee and dinner chocolates will be served.

VENUE

In the rustic informality of the 'Nobelius Packing Shed', with its blazing log fire during the cooler months, you can select a variety of roast meats,

vegetables and salads from the buffet followed by various dessert options. A range of beverages including local wines are available for purchase. Our musical entertainer will have you up on the dance floor until the driver blows the whistle signalling your return to the train.

Special dietary requirements may be catered for, however we require notice at least 72 hours prior to travel.

FARE \$86.00 per person. No concessions apply. Ticket prices are not transferable to other shows nor refundable.

CHARTER TRAINS

The Dinner & Dance Train is also available for charter on any night of the week, with flexible departure times for a maximum of 80 guests.
